Road Sign Removal Team lead - Technical Team Member

Abu Dhabi Sports Council | UAE Tour project

February 2023 - March 2023 (2 months) - United Arab Emirates

- Ensure the timely and safe removal of road signs along the race route to facilitate the smooth progress of the event.
 - Work collaboratively with other team members to identify the specific road signs that need to be removed along the route.
 - Utilize specialized equipment and tools to remove road signs in accordance with established safety protocols safely.
 - Ensure the proper storage and transportation of removed road signs to designated storage locations.
 - Communicate regularly with the Technical Team Lead to provide updates on progress and identify any issues or concerns.
 - Provide support to the technical team when needed.
-

Site Operations Team Leader

Expo 2020 Dubai

June 2021 - April 2022 (11 months)

Expo 2020 site

- Lead and coordinate all on-site operations at Expo 2020 Dubai, overseeing a team responsible for routing, handling, crowd management, and guiding assistance for visitors.
 - Collaborate with cross-functional teams to develop and implement operational plans that optimize visitor flow, enhance crowd management, and ensure a safe environment.
 - Manage and allocate resources, including staff and equipment, to effectively execute operational tasks and deliver a high level of service.
 - Continuously assess and improve operational processes to enhance efficiency, visitor satisfaction, and overall experience.
-

Teams & Delegations services Team Leader

Dubai Sports Council | Beach Soccer Worldwide

October 2021 - December 2021 (3 months)

Dubai, United Arab Emirates

- Lead and coordinate all delegations' services for the Intercontinental Beach Soccer Cup 2021 Dubai, ensuring a seamless experience for participating teams, referees, and other stakeholders.
 - Escort teams and referees, providing a high level of hospitality and support throughout their stay, from arrival to departure.
 - Schedule and manage training times for participating teams and referees, optimizing the utilization of available resources and facilities.
 - Collaborate with the transportation operations team to organize and oversee the timely and efficient movement of teams and referees between accommodations, training venues, and the tournament venue.
-

COVID-19 Logistics Officer

Pure Health

April 2021 - September 2021 (6 months)

Dubai, United Arab Emirates

- Coordinate and manage the supply chain requirements for testing centers and airports, ensuring timely delivery of essential materials such as testing kits, personal protective equipment (PPE), and other logistical needs.
 - Oversee the transportation of COVID-19 samples from testing centers to the main laboratory for analysis, following strict protocols to maintain sample integrity and minimize the risk of contamination.
 - Provide comprehensive logistical support to the department, including the timely allocation of resources, tracking inventory levels, and implementing quality control measures.
-

Technical Support Lead

Ministry of Education – UAE

August 2020 - April 2021 (9 months)

Dubai, United Arab Emirates

The Artificial Intelligence and Robots (AIR) Competitions Series (virtual).

- Lead and manage the technical support efforts for the AIR Competitions Series, ensuring smooth execution of virtual competitions and events.
 - Collaborate closely with the organizing committee to conceptualize and implement technical solutions, platforms, and tools required for hosting virtual competitions.
 - Provide real-time technical support to referees, students, and participants during competitions, addressing any issues or challenges that arise.
 - Proactively identify and troubleshoot technical issues, ensuring minimal disruption to the competition experience and maintaining a high level of participant satisfaction.
-
